TO CHIEF, NEA

ATTENTION: CHIEF, LOGISTICS

25X1A6a FROM CHIEF OF STATION, DRS

25X1A6a

SUBJECT { GENERAL Administrative/LOGISTICS
SPECIFIC Transmittal of Foreign Real Property Reports, House Leases
and Housing Allowance Applications.

1. The Station regrets the delay in transmitting Foreign Real Property Reports, etc., and is submitting the attached reports in an attempt to bring Headquarters up to date regarding Station housing.

2. Two new houses have been leased since the last report and the Foreign Real Property Reports on these two houses, File No. 8 and 9, are transmitted as attachment A.

3. The following is a summary of changes in Station housing:

25X1A6c File No. 1: As reported in 1492 this house is no longer under Station lease.

25X1A2e File No. 2: This house was occupied by 1317 until his departure in August 1956 at which time the lease was taken over by 1317. Prior to 1317 departure he negotiated a renewal of the lease, effective 1 February 1957 for one year, in order to hold this house for occupancy by the new Chief of Station due to arrive in March 1957. The Station is currently paying the rent and salary for a watchman for this house. Transmitted under separate cover are copies of the memorandum of agreement transferring the lease from 1317 as well as a copy of the new lease.

File No. 3: According to our records, the last report submitted on this house was 1317 which transmitted a lease renewal between the owner and 1317. When 1317 moved into 1317's house (File No. 2) this house was taken over by TDY employee 1317, who paid the rent and utilities until his departure in late January 1957. The Station has paid the rent for February in order to hold the house for new Station personnel. Transmitted under separate cover are copies of the agreement transferring this house from 1317 to 1317 and of the new lease effective 1 January 1957.

House No. 4: This house was occupied by [REDACTED] until her departure in January 1957. The expiration of the lease on this house coincided with [REDACTED]'s departure and because of difficulties with the landlord, plus the poor condition of the house, this lease has not been renewed.

25X1A2e

25X1A2e

House No. 5: This house is still occupied by [REDACTED] who has just negotiated a renewal of the lease to hold the house for his replacement. A copy of the new lease is transmitted under S/C.

25X1A2e

House No. 6: This house is still occupied by [REDACTED]. Foreign Real Property Report and copies of the lease on this house were transmitted under [REDACTED]-1145.

25X1A6c

House No. 7: Foreign Real Property Report and copies of the lease on this house were transmitted under [REDACTED]-1192. There have been no changes with regard to this house since that report.

25X1A6c

House No. 8: A sterile copy of the agreement concerning this house was transmitted under [REDACTED]-1881.

25X1A6c

House No. 9: The lease on this house was signed in triplicate -- one copy for the owner and two for [REDACTED]. Since [REDACTED] requested [REDACTED]'s second copy to support his claim for Housing allowance, the Station does not have an extra signed copy to forward. We are transmitting under Separate Cover an unsigned copy of this lease.

4. It appears that the last Housing Allowance forms were submitted under [REDACTED]-1289 for [REDACTED] and [REDACTED]-1192 for [REDACTED]. There were no changes in these forms for [REDACTED] prior to their departure and the form submitted by [REDACTED] at that time is still valid as his quarters allowance was not affected by the recent [REDACTED] increase in quarters allowances for [REDACTED]. Transmitted under Separate Cover as Attachment C are copies of the new Housing Allowance forms submitted for [REDACTED] as a result of this increase, together with copies of the earlier forms submitted by [REDACTED] which have not been previously forwarded to Headquarters.
